

Emily's Legacy Rescue

Adoption Agreement

By signing below, I am agreeing with the terms outlined as follows:

- If for any reason the animal I am adopting becomes sick, I will provide veterinarian care.
- If I move, I will find a place that will allow the animal I am adopting.
- If there are any behavioral issues, I will work on training.
- I understand the animal may not be house-trained and will train them.
- If divorcing, one of us will take the animal.
- The animal cannot be rehomed without Emily's Legacy Rescues' (ELR) approval.
- If the animal gets lost, I will contact ELR and explore all avenues in getting the animal back home.
- If adopting a cat, I will keep the cat inside 100% of the time. I understand the cat could be run over, attacked by another animal or be exposed to a disease.
- When I move or change contact information, I will update the microchip information.
- If a puppy or kitten, I will make sure that I make all my shot appointments and altering date. They must be altered (fixed)!! If you refuse to get them fixed, ELR has the right to get them back.
- If a puppy, I will not take the puppy into the public with other dogs until they have had their 3rd set of shots. This assists in them keeping healthy. They can be exposed to diseases and not protected if around another dog.
- I understand that this is a lifetime commitment to the animal I am adopting.

Emily's Legacy Rescue (ELR) does not have a medical history on the animals pulled prior to them coming to ELR. A series of medical tests will not be ran on intake due to the expense required to do so. The basic yearly vaccines of Distemper/Corona/Paravirus, testing for heartworms (dog), testing for Feline Leukemia (cats), feline leukemia booster, deworming, microchipping, rabies and altering are the medical treatments my adopted animal has received. A copy has been provided to the adopter to give to their vet for future shots. If puppies or kittens, they will receive their other required booster shots.

No Liability. Neither EMILY'S LEGACY RESCUE, its volunteers or its officers are liable for any claims, legal actions, losses, injuries, damages, costs, expenses, or liabilities whatsoever in connection with this adoption or ownership of the pet.

Breach of Agreement; Liquidation Damages. In the event that ADOPTER does not comply with the terms of this Agreement, or the pet is abused or neglected, EMILY'S LEGACY RESCUE reserves the right to recover the pet from the ADOPTER upon demand. Promptly after the demand, ADOPTER will come to EMILY'S LEGACY RESCUE location and ADOPTER will immediately surrender the pet. In addition, without waiving any or our rights under this Agreement, if ADOPTER does not surrender the pet, ADOPTER will owe a payment in the amount of \$500.00 agreed between the parties as just and reasonable liquidated damages to compensate for costs and expenses in connection with ADOPTER'S breach of this Agreement.

Entire Agreement; Modification; Binding Effect. This Agreement is the entire agreement between ADOPTER and EMILY'S LEGACY RESCUE, and supercedes any prior understandings between ADOPTER and EMILY'S LEGACY RESCUE, with respect to the subject matter of this Agreement. No modification of this Agreement will be valid unless in writing duly signed by both ADOPTER and a board member of EMILY'S LEGACY RESCUE. This Agreement is binding upon ADOPTER and ADOPTER'S heirs, assigns, successors, personal representatives and executors.
